

numerous vague provisions that may in some cases modify and expand the funding restrictions relating to abortion currently included in annual appropriations bills. Besides, the Hyde Amendment has been passed every single year for nearly forty years—we already have a law prohibiting the use of federal funds to pay for abortion, we don't need another one.

This legislation threatens women's health by denying access to comprehensive women's health care that includes abortion. That is why I vehemently oppose H.R. 7.

#### RECOGNIZING NATIONAL SCHOOL CHOICE WEEK

### HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 29, 2014*

Mr. WEBSTER of Florida. Mr. Speaker, I am pleased to recognize National School Choice Week. Designated from January 27–31, 2014, National School Choice Week serves to raise public awareness of the importance of making educational opportunities available to all students.

No student should have a darker future or a limited educational horizon based upon the neighborhood they call home. Every student should have access to their own American dream, and the key to their dream is a quality education.

I have advocated for educational reform and expansion of educational opportunity to all throughout my years of service in the Florida State Legislature and in the U.S. Congress. I have advanced initiatives that include home schooling, building a Florida online high school, creating magnet programs, establishing charter schools, and establishing scholarships that allow students from failing schools to attend high performing schools. I believe that good educational policy provides choices to families and local educators who understand the unique needs of their children and students. Through providing choice, educational quality increases, which will ensure that all students are able to excel in their academics and rise to meet their full potential.

I am pleased to recognize National School Choice Week.

Mr. BARBER. Mr. Speaker, I rise today to honor United States Army Sergeant First Class William K. I call on my colleagues and all Americans to remember Kelly and the many others who have made the ultimate sacrifice in defending our freedoms and all that we value as a nation.

#### MCKINNEY, "AMERICA'S CRAPE MYRTLE CITY"

### HON. SAM JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 29, 2014*

Mr. SAM JOHNSON of Texas. Mr. Speaker, I rise today to recognize the Crape Myrtle Trails of McKinney Foundation, a 501(c)(3) non-profit organization created to elevate and preserve the beauty and appeal of one of the fastest growing cities in North Texas, McKinney.

Established in 1998, the Crape Myrtle Trails of McKinney Foundation began with the vision of showcasing the premier flowering plant of the south, the crape myrtle, throughout our community in a deliberate and meaningful manner. After the foundation gained official 501(c)(3) status, the foundation in partnership with the City of McKinney established the World Collection Park to feature every variety of crape myrtle on seven acres of city parkland. The World Collection Park officially opened for enjoyment in 2011, and as of 2013, nearly 22,000 crape myrtles have been planted by the foundation, City of McKinney, and other partners.

Not only does the Crape Myrtle Trails of McKinney Foundation serve as an agent to enhance the aesthetics of the city, it has established programs, such as an annual Run the Trails of McKinney Fun Run and "McKinney Crape Myrtles and Me—Watch Us Grow!" an annual science and art contest for McKinney ISD elementary schools, to further involve the community in its city's development.

I commend the City of McKinney on their time, energy, and efforts in making McKinney a better place to live for my fellow Texans. Promoting a higher quality of life is something we simply can't put a price on. That's why I support the City of McKinney to officially register as "America's Crape Myrtle City" and
